## Forums - Call for Papers

Rubber Industry Forum is focusing latest technical and market developments in rubber processing. The forum language is ENGLISH. All event participants can participate in this forum for FREE.

Interested specialists, experts and researchers are invited to present latest developments in relevant forums. Each speaker will be given 30 minute presentation slot in the respective forums. Each confirmed speaker will be responsible for their travel and accommodation arrangements. If interested to speak, please send presentation title, abstract and speaker profile as soon as possible.

## Training Workshops

International and Well-Experienced Specialists will be teaching short courses focusing on rubber processing. These are fee-based programs.
